Our camps are split into 3 levels of support. Understanding the level of support in each camp will make sure your child has a safe and enjoyable experience here. Our camps can range anywhere from 10-30 campers. We base this number off the type of camp, the level of support required, and space available.

## 1:1 Support

We offer personalized 1:1 staffing to assist campers in integrating into a group setting. Our qualified staff are committed to providing the best camp experience possible, catering to the individual needs of each camper. Please note that 1:1 campers will be waitlisted until their intake with the 1:1 Supervisor has been completed. 1:1 support costs \$690.00/week, prorated for short weeks and is in addition to the camp fee.

If your camper requires a Personal Support Worker (PSW), they may be allowed to attend camp, subject to approval from the 1:1 Support Supervisor and a screening to ensure adherence to Variety's External Support Worker Policy.
